

## 2018 IEEE 1<sup>st</sup> 5G World Forum (5GWF'18)

**Theme: 5G Vision**

**July 9-11, 2018, Santa Clara, CA, USA**

<http://ieee-wf-5g.org/>

Organized by IEEE 5G Initiative and IEEE Santa Clara Chapter

### Patronage and Exhibits

IEEE, the world's largest professional organization advancing technology for humanity, is hosting the 1st Annual IEEE 5G World Forum (5GWF'18) July 9-11, 2018 in Santa Clara, CA, USA. This unique event is designed to examine key critical 5G innovations across technologies that will alter the research and application space of the future.

5G is not only evolutionary, providing higher bandwidth and lower latency than current-generation technology; more importantly, 5G is revolutionary, in that it is expected to enable fundamentally new applications with much more stringent requirements in latency and bandwidth. 5G should help solve the last-mile/last-kilometer problem and provide broadband access to the next billion users on earth at much lower cost because of its use of new spectrum and its improvements in spectral efficiency.

The World Forum will attract industry practitioners, researchers and academia, government regulators, and public sector executives to hear industry experts and peers share best practices and lessons learned, latest research, new standards development initiatives, innovations, and first-hand experiences regarding prototyping and initial service offerings. It offers an outstanding opportunity to showcase your products and applications to a vibrant and engaged audience and provides an ideal platform for you to reach hundreds of key decision makers involved in 5G.

Details of the patron and exhibitor opportunities to promote your organization to this influential audience are provided in this document. If you are interested in participating in this global IEEE 5G event, please contact us via email at [wf5g2018@ieee.org](mailto:wf5g2018@ieee.org), or visit our website for more information.

We look forward to seeing you in Santa Clara, California, USA!

**Sanjay Jha**  
General Chair

**Chi-Ming Chen**  
Sponsorship Chair

**Upkar Dhaliwal**  
Sponsorship Chair

**Jibin Sabu**  
Sponsorship Chair

There are many opportunities to support the IEEE 5G World Forum. In addition to the following levels, patrons may choose to be the exclusive host of a conference session or event. The patron will be recognized as the exclusive host, unless they explicitly request to co-host with another patron. All conference events are open to hosting, including Special Sessions, Tutorials, and Industrial Sessions. Additional events, not included in the conference, may also be considered for hosting.

## Sponsorship Packages:

	<b>Diamond</b> \$30,000	<b>Gold</b> \$20,000	<b>Silver</b> \$10,000	<b>Bronze</b> \$5,000	<b>Session</b> \$2,000
8'x10' Booth in Exhibit hall	✓	✓			
Keynote presentation	✓				
Complimentary registrations	5	3	2	1	
Ad in conference brochure	Full page	½-page	¼-page
