

2019 IEEE 2nd 5G World Forum (5GWF'19)
Theme: Future Networks
30 Sept-2 Oct 2019 | Dresden, Germany

CALL FOR PAPERS

The 2019 IEEE 2nd 5G World Forum (5GWF'19) in Dresden, Germany, seeks contributions on how to nurture and cultivate 5G technologies and applications for the benefit of society. 5G systems should unveil a novel mobile network architecture that not only improves physical data rate, but also creates a new ecosystem allowing the deployment of novel services and applications. A key target is to build a novel network architecture that should support not only classical mobile broadband applications and services but also vertical industry (e.g. Intelligent Transport, Industrial IoTs, eHealth, etc.) and other 5G-based services.

This conference aims to bring experts from industry, academia and research to exchange their vision as well as their achieved advances towards 5G, and encourage innovative cross-domain studies, research, early deployment and large-scale pilot showcases that address the challenges of 5G.

Technical Tracks

- Track 1: 5G Technologies
- Track 2: 5G Application and Services
- Track 3: 5G & IoT
- Track 4: 5G Security and Privacy
- Track 5: 5G Trials, Experimental Results and Deployment Scenarios
- Track 6: 5G Hardware and Test / Measurements
- Track 7: 5G Special Verticals
- Track 8: 5G Special Topical

Sessions

- Workshops
- Special Sessions
- Tutorials
- Industry Forums
- Doctoral Symposium
- Start-ups
- Exhibitions
- 5G Special Vertical Areas
- 5G Special Topical Areas

Organizing Committee

General Co-Chairs

Ashutosh Dutta, JHU/APL, USA

Gerhard Fettweis, TU Dresden, 5GLab Germany

Frank Fitzek, TU Dresden, 5GLab Germany

Latif Ladid, University of Luxembourg

Technical Program Committee

Antonio Skarmeta, Univ Murcia (Spain)

Athul Prasad, Nokia

Essaid Sabri, Hassan II Univ (Casablanca)

Konstantinos Samdanis, Huawei

Charlie Zhang, Samsung

Please submit your papers on EDAS: <https://edas.info/N25426>

Please address questions regarding the Call for Papers to wf5G2019@ieee.org.

Accepted and presented technical and workshop papers will be published in the IEEE 5G World Forum 2019 Conferences Proceedings and IEEE Xplore®. See the website for author requirements. Full details of submission procedures are available at www.ieee-wf-5g.org.

Important Dates:

December 23, 2018:

Special Sessions and Workshop proposal

April 15, 2019:

Technical papers

Industry Forum proposals

Tutorials proposals

Vertical/Topical Area proposals

**Be Part of the Global
Collaboration Creating 5G for
the Benefit of Society**
